TECHNICAL DATA SHEET

Product Code – AS-060

MASKING TAPE – 05Y

Description: Masking Tape 05Y is resin impregnated crepe paper coated with high tack pressure-sensitive natural rubber based adhesive. The tape was developed specifically to help protect surrounding surfaces from overspray, provide clean paint lines and can be removed easily and cleanly when finished. The crepe paper backing can conform to curved and irregular surface for critical paint masking applications in the automotive industry. The tape easily tears by hand for tool-free application.

Application: Masking Tape 05Y adheres well and resists solvent or water from the paint and is useful in automotive holding, protecting, bundling, labelling, painting, arts and crafts, marine and aerospace industries etc.

Application Technique: For best results, ensure the surface is clean, dry and dust free before application of the tape. Apply even and firm pressure for better adhesion results.
