

Adhesive Specialities

Manufacturer of Speciality Adhesive Tapes

TECHNICAL DATA SHEET

Product Code – AS-058

MASKING TAPE 02

Description: Masking Tape 02 is a general-purpose masking tape coated with acrylic emulsion adhesive. It resists solvents or water from the paint, yet can be removed cleanly without damaging the surface. The crepe paper backing can conform to curved and irregular surface for critical paint masking applications..

Application: Masking Tape 02 is used in paint masking application. The tape is easy to tear by hand for tool-free application. Other applications are protecting, labelling, painting, arts and crafts.

Application Technique: For best results, ensure the surface is clean, dry and dust free before application of the tape. Apply even and firm pressure for better adhesion results.

TECHNICAL VALUES

Properties	Value
Base Material	Crepe Paper – 60 gsm
Adhesive	Acrylic Emulsion
Total Thickness	130µm / 92 gsm
Tensile Stress	12 Mpa
Elongation (% at break)	47 %
Adhesion to Steel (gms/inch)	450 gms
Temperature Resistance(°C/hr.)	60 °C

Storage & Shelf Life: The tape should be stored in cool and dry place and prolonged exposure to the direct sunlight should be avoided. To obtain best performance, the product should be used within 12 months from the date of manufacture.
